BUCKS COUNTY SENIOR GAMES EVENT RULES

Specific rules will be posted at each event. Rules will not be changed, nor will comments or protests be accepted on the day of the event.

BOCCE

Single elimination format will be used but the event coordinator reserves the right to modify the format based on the number of entries. In order to compete, a participant must be present when brackets are drawn for their gender and age group. Players will compete against people in their respective age category. TWO games will be played on each court at the same time (one at each side of the court). All balls MUST be rolled, NO LOFTING. A player tosses the pallino (small target ball) and it MUST pass the center line of the court and CAN NOT hit the back wall. If a player fails to toss the pallino properly, the opposing player will toss the pallino. The first ball will be thrown by the player who properly tossed the pallino. If the first ball hits the back board, the player must roll again, otherwise, that player steps aside and does not roll again until the opposing player has either rolled their balls closer to the pallino or has thrown all of their balls. Whenever a player gets a ball closer, they step aside and let the other player roll. The other player throws until it beats the opposing ball. This continues until both teams have used all of their balls. The player who scored last throws the pallino to begin the next frame. Players MAY NOT step over the foul line before releasing their ball or pallino. Only one player scores in a frame. One point is given for each ball that is closer to the pallino than the closest ball of the opposing player. Games will be played to 12 but can be altered due to time constraints. A ball that hits the back board is considered “dead’ and must be removed from play unless it first hits another ball in which case all balls are valid. If the wrong colored ball is thrown, it will be marked and replaced with the proper color ball.

BOWLING

Winners will be determined in individual competition only for your specific age group. Contestants will bowl 3 games at a cost of $7.50 per player (rental shoes included), payable to the bowling alley. Scores will be combined with your average to determine winners. YOU MUST PROVIDE AN AVERAGE BEFORE YOU START. Preferred lane partners will try to be accommodated as much as possible.

DARTS

Participants should bring their own steel tip darts. A clock or 20-point face will be used with the throw line at a 7’ 9 1/4” distance from the bullseye. Format for competition is best 2 of 3 games of “501” for singles & doubles OR one (1) game depending on the number of participants. Straight-In (S/I) and Double Out (D&O). Maximum of 21 darts (7 innings) for singles and 36 darts (6 innings) for doubles. Each player may throw six (6) practice darts prior to their match. For a dart to score, it must remain in the board for 5 seconds after the third or final dart has been thrown. Remove your own darts from the board. DO NOT play with another person’s darts. Brackets and times announced at sign in.

BILLIARDS

Billiards Congress of America rules will be followed. 8-ball will be played. Cue sticks and balls will be supplied; competitors may bring their own cues. Single elimination format will be used, but the event coordinator reserves the right to modify the format based on the number of entries. In order to compete, a participant must be present when brackets are drawn for their gender and age group. The balls will be racked in a triangle at the foot of the table with the 8 ball in the center of the triangle, the first ball of the rack on the foot spot, a stripe ball in one corner of the rack and a solid ball in the other corner. On all shots (except on the break and when the table is open), the shooter must hit one of his/her group of balls first and (1) pocket a numbered ball, or (2) cause the cue ball or any numbered ball to contact a rail.

TABLE TENNIS

Games are to 11 points, and a player must win by two points. Winners will win 2 of 3 possible games OR a single elimination format will be used, but the event coordinator reserves the right to modify the format based on the number of entries. Each player serves twice and then the opponent will serve twice. Should the game be tied at 10, each player then serves every other serve. The service ball is tossed approximately vertical in the air no less than 6 inches high with spin behind the table’s end line. In order to compete a participant must be present when brackets are drawn for their gender and age group. Paddles and balls will be available; competitors may bring their own paddles but must use the three-star balls provided. Competitors are not to wear white shirts.

QUOITS

United States Quoits Association rules will be followed, but may be modified by event coordinator. Single elimination format will be used, but the event coordinator reserves the right to modify the format based on the number of entries. Teams of two will play together and may be female/female, female/male, male/male. Partners are preferred, and you will be assigned a partner if you do not have one. Games will be played to 15, but may be altered due to time constraints.
GOLF
An 18-hole tournament will be conducted using Medal Play for women and men’s Medals in each age group and Plaques for overall Low Gross. The Calloway Handicap System will be used to award plaques for Low Net. Prizes are also awarded for Holes in One, Closest to Pin and Longest Drive. Greens fees are $26 per person and $11 for cart PAID AT THE COURSE THE DAY OF THE EVENT. Check-in and pay 30 minutes before starting. You will be notified of your tee time prior to the event. Soft spikes required.

TRACK AND FIELD
There will be four running/walking events: (1) Mile Run; (2) Mile Walk; (3) 100m Run; and (4) 400m Run. There will be three field events: (1) Discus; (2) Shot Put and (3) Long Jump. Warm-up, running and cool down periods will be made available. The best times for the running/walking events will designate the winners rather than extra heats. The longest throws/jumps for the field events will designate the winners.

PINOCHLE  Standard rules will apply.
BRIDGE  Party Bridge rules will apply.

TRIVIA
Contestants will be part of a group comprised of three, four or five members. Contestants will consult among themselves to determine the group’s members and its size. The games coordinator reserves the rights to assign contestants to a group, if necessary. Groups will write their answer legibly so the game coordinator can read it. After each question is read aloud, teams will have 45 seconds to write their answer on their answer sheet and place it at the end of the table. No changes are permitted after the sheet is moved to the end of the table. After five questions are read, the answer sheets will be collected and tallied. Each correct answer is worth one point. This process will be repeated over the course of 90 minutes. If there is a tied score for first, second or third place, a bonus round of questions will be read. If this round does not break the tie, then the groups will share the respective place, namely first, second or third. Groups ARE NOT permitted to use any reference resources such as written notes, books, or electronic resources such as smart phones or computers. “Shout-out” of answers is not permitted.

PICKLEBALL  (Men’s Doubles/Women’s Doubles)
Pickleball is a paddle sport (similar to a racquet sport) that combines elements of badminton, tennis, and table tennis. Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a Wiffle Ball, over a net. All levels including beginners are welcome. In order to compete, a participant must be present when brackets are drawn for their gender and age group. All doubles teams will compete in the age category of the younger partner. You will be assigned a partner if you do not have one. Partners should register separately. Single elimination, best 2 of 3 format. 13 minutes per game time limit. The Coordinator reserves the right to modify the format and age brackets based on the number of entries. Paddles and balls will be available; competitors may bring their own paddles, but must use the balls provided.

CHESS
All levels including beginners welcome. Each game will be played without a clock but have a 30-minute time limit. If there is no win, lose or draw within the 30-minute time period the winner will be awarded on a point system based on the value of pieces. The chess points will be as follows:

<table>
<thead>
<tr>
<th>Piece</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>KING</td>
<td>9</td>
</tr>
<tr>
<td>QUEEN</td>
<td>3</td>
</tr>
<tr>

<td>1</td>
</tr>
<tr>
<td>ENPASSAN</td>
<td>0.5</td>
</tr>
<tr>
<td>DRAW/STALEMATE</td>
<td>0.5</td>
</tr>
</tbody>
</table>

The board should be set up with the white square in the nearest row on the right. White makes the first move. The players then alternate moves until the game is over. A move is considered complete once the piece is moved and released. The touch move rule will NOT apply. In order to compete, a participant must be present when brackets are drawn. No games will be started after 1:00pm. The event coordinator reserves the right to modify the game format based on the number of entries.
