The Regular Meeting of the Bucks County Board of Commissioners was held this day at 6:00 p.m., at Core Creek Park, 901 E. Bridgetown Pike in Langhorne. In attendance were Chairman Robert G. Loughery, Commissioner Charles H. Martin, Vice Chairman; and Commissioner Diane M. Ellis-Marseglia. Chairman Loughery opened the meeting with a moment of silence, asking that everyone remember the Edwards family during this difficult time. This was followed by the Pledge of Allegiance.

INTRODUCTIONS

Chairman Loughery welcomed Barbara Lyons and Ken Snyder from the Doylestown Township Board of Supervisors; Pat Mallon, Chair of the Middletown Township Board of Supervisors; Charles Raudenbush from the Parks and Recreation Board; and Bill Mitchell, Executive Director of Parks and Recreation. The Commissioner also recognized county row officers: Mary Smithson, Clerk of Courts; Kim Doran, Acting Controller; David Heckler, District Attorney; Pat Bachtle, Prothonotary; and William Snyder, Treasurer.

COMMENDATIONS

The Commissioners presented a Letter of Commendation to the Doylestown Township Environmental Advisory Council, upon their selection as the 2015 Bucks County Conservation District (BCCD) “Outstanding Conservation Organization of the Year,” and in special recognition of both their efforts to prevent pollution and erosion in the riparian buffer, and their efforts to promote recycling. Barbara Lyons, Chair of Doylestown Township Board of Supervisors, introduced Ray Hendrick, Chair of the Environmental Advisory Council; Jeannine and Steve Mitchell, volunteers; Ken Snyder, fellow Supervisor; Stephanie Mason, Doylestown Township Manager; and Richard John, Director of Operations. Mr. Hendrick accepted the award on behalf of the Environmental Advisory Council.

The Commissioners presented a Letter of Commendation to Elizabeth Glaum-Lathbury from Morrisville Middle/Senior High School, upon her selection as recipient of the 2015 Bucks County Conservation District (BSSD) “Outstanding Conservation Educator Award.” As the class moderator for Morrisville School District’s Science Symposium team, “The Aviators,” she led the students through many environmentally focused projects that allowed them to incorporate other areas of study, such as math, communication, writing, reading and public speaking.

Gretchen Schatschneider and Mary Ellen Noonan of the Bucks County Conservation District presented the recipients with small gifts of native plants, and Ms. Schatschneider thanked the Commissioners for their support.

PUBLIC COMMENT – Agenda Items

None

OLD BUSINESS

Upon motion of Commissioner Martin, seconded by Commissioner Marseglia, with the vote being 3-0, the minutes for the regular meeting of July 1, 2015 were approved.

NEW BUSINESS

Chairman Loughery read through the agenda, providing clarification and addressing questions and comments.

Item 1a – Rich Harvey, Director of the Agricultural Land Preservation Program, presented information on the County’s portion of a 71.04 acre agricultural conservation easement on the Pavlica Farm in Durham Township. He shared some information about the farm’s soil and crops, and said it will be the 180th farm preserved, totaling 14,921 acres.

Item 3b - Human Services Director Jonathan Rubin responded to questions from Commissioner Martin regarding the services being provided and the increased cost.

Items 4a & b – Commissioner Loughery provided clarification regarding these projects for tax-exempt financing. He pointed out that item 4a is a Pennsylvania Next Generation Farmer Program project with Purely Farms, for 38.34 acres in Bedminster Township. This is the first farm project of the newly reorganized Industrial Development Authority. Item 4b is with Empire Abrasive Equipment Company, a manufacturing company in Middletown Township.

Regarding the BCIDA items, Commissioner Loughery thanked Marge McKeveit from the Planning Commission, Pete Krauss, Executive Director, and Mary Smithson, Chair.
Item 5b – Commissioner Loughery advised that this is related to the discussion at the last meeting regarding the uniform contract. He thanked Bucks County Solicitor Michael Klimpl, Chief Operating Officer Brian Hessenthaler and their team for their work to resolve this. Jim Wasserson, President of Clean Rental, added his thanks as well.

Items 9a through k – Discussion took place regarding the final close-outs of these items related to the Justice Center. Commissioner Loughery noted that they are almost 4% over the original contracted budget for the construction portion of the project.

Item 9l – Commissioner Martin clarified that they are accepting the base bid and alternate 2.

Item 10d – Chairman Loughery expressed concern with submitting this consolidated plan based on new regulations. Discussion ensued between the commissioners and Director of Housing & Community Development, Roger Collins. The Commissioners agreed to adopt it in draft form, subject to any final edits that may be needed.
