EXECUTIVE REPORTS

Brian Hessenthaler, Chief Operating Officer, reported on the following:

County Staff Recognized – 1) Bill Plantier, Director of Corrections, has been appointed by Governor Christie to the New Jersey State Prison Complex Board of Trustees; this is very similar to our prison oversight board. 2) Audrey Kenny, Deputy Director of Emergency Communications, has been appointed by Governor Wolf to the state 911 Board. This is an important board to have representation on, as they will be determining where the funding goes. Chairman Loughery added that this is quite significant and she will be representing Class 2A counties.

Election Day – Voter turnout yesterday was a little under twenty-five percent.

State Budget – Day 127 of the impasse; the silence from Harrisburg speaks volumes.

COMMISSIONER COMMENTS

Commissioner Martin requested they send a letter to Governor Wolf, copying the legislators, with regard to the budget impasse. Some of the points suggested would be to request a timely response and to ask for reimbursement of any expenses the County may incur if they have to borrow funds, as well as for the interest lost and the money already expended. Commissioner Martin responded to Commissioner Marseglia’s suggestion that the letter be addressed to both the Governor and the legislators. Chairman Loughery suggested they sit down soon with the service providers to strategize. Commissioner Marseglia said that she has received calls this week from some non-profits questioning if they should start considering layoffs.

PUBLIC COMMENT

Fred Stine, from the Delaware Riverkeeper Network, and Bucks County resident Betty Tatham shared numerous concerns regarding Elcon Recycling Services’ proposed hazardous waste treatment facility at the Keystone Industrial Port Complex in Falls Township. An extensive discussion ensued with the Commissioners advising that approval of the project is a local decision but that they would certainly keep it on their radar.
ANNOUNCEMENTS

The next public meeting of the Bucks County Board of Commissioners will be held on Wednesday, November 18th, at 10:00 a.m. in the Bucks County Courthouse Community Room.

ADJOURNMENT

Upon motion of Commissioner Marseglia, seconded by Commissioner Martin, with the vote being 3-0, the meeting was adjourned.
