Finance Director Dave Boscola also thanked those who worked closely with the finance staff over the past four months and indicated that they will continue to work on the budget through 2020 in order to limit the draw on the general fund. In response to Commissioner Marseglia’s question, Mr. Boscola advised that the tax increase equates to $36.50 per year for the average taxpayer. Chief Operating Officer Brian Hessenthaler added his thanks to everyone involved and said that it gets more challenging each year. Commissioner Marseglia commented on the tax increase and said she is thrilled with the Children & Youth budget.
