DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again but turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

INSTRUCTIONS
Review your selections and make sure the red light is on next to each of your candidate choices before pressing the green VOTE button below to cast your ballot.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES or NO box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

County of Bucks, Commonwealth of Pennsylvania
Towship of Bensalem Lower Middle 2
**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

**Remember** that no votes are registered until the Green VOTE button is pressed.

**The machine will not allow you to vote for more than the proper number of candidates.**

1. **Enter Voting Booth**
   - Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. **Voting Straight Party**
   - You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. **Selecting Candidates Individually**
   - You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. **Changing a Selected Candidate**
   - To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   - At the top of the ballot there may be questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   - To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. **Casting Your Ballot**
   - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. **Enter Voting Booth**
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. **Voting Straight Party**
   You may vote a straight party ticket by pressing the large green VOTE button at the top of the machine to open the Write-In light and choose another candidate.

3. **Selecting Candidates Individually**
   You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. **Changing a Selected Candidate**
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine in the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. ** Casting Your Ballot**
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by passing and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X button in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

INSTRUCTIONS

REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT

A RED BLINKING LIGHT IN THE OFFICE COLUMN INDICATES YOU MAY CAST ADDITIONAL VOTES

I DO NOT WANT TO VOTE ON ANY OFFICE, CANDIDATE OR ISSUE

NO VOTE ❌
DIRECTIONS FOR VOTING
ON THE VOTING MACHINE AT A
MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE button is pressed.
The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

**REMEMBER that no votes are registered until the Green VOTE Button is pressed.**

The machine will not allow you to vote for more than the proper number of candidates.

1. **Enter Voting Booth**
   
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. **Voting Straight Party**
   
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. **Selecting Candidates Individually**
   
   You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. **Changing a Selected Candidate**
   
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   
   At the top of the ballot there may be Questions. Your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. ** Casting Your Ballot**
   
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**Polling Place open from 7:00 am to 8:00 pm**

**Instructions**
- **Review your selections and make sure the red light is on next to each of your candidate choices before pressing the green VOTE button below to cast your ballot.**
- **A red blinking light in the office column indicates you may cast additional votes.**
- **I do not want to vote on any office, candidate or issue.**
- **No vote.**
DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by passing through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll.    - To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   - At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   - To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. **Voting Your Ballot**
   - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**INSTRUCTIONS**

**REMEMBER** to review your selections and make sure the red light is on next to each of your candidate choices before pressing the green VOTE button below to cast your ballot.
**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

**REMEMBER** that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

Shall the Pennsylvania Constitution be amended to grant certain rights to crime victims, including to be treated with fairness, respect and dignity; considering their safety in bail proceedings; timely notice and opportunity to take part in public proceedings; reasonable protection from the accused; right to refuse discovery requests made by the accused; restitution and return of property; proceedings free from delay; and to be informed of these rights, so they can enforce them?
**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by passing through the curtain. The curtain will fold closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the large red blinking light at the top of the machine to open the Write-In. Then press the large red blinking light again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

Directions for Voting on the Voting Machine at a Municipal Election

Remember that no votes are registered until the Green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light will turn on for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individuals by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In

To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot

After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that candidate will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box within that candidate box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

**REMEMBER that no votes are registered until the Green VOTE Button is pressed.**

- **The machine will not allow you to vote for more than the proper number of candidates.**
- **1. Enter Voting Booth**
  - Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.
- **2. Voting Straight Party**
  - You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.
- **3. Selecting Candidates Individually**
  - You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.
- **4. Changing a Selected Candidate**
  - To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.
- **5. Voting on a Question**
  - At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.
- **6. Selecting a Write-In**
  - To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.
- **7. Casting Your Ballot**
  - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. **Casting Your Ballot**
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT**

**DON’T VOTE**

**REMEMBER that no votes are registered until the Green VOTE Button is pressed.**
**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. **Enter Voting Booth**
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election official before you enter.

2. **Voting Straight Party**
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. **Selecting Candidates Individually**
   You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. **Changing a Selected Candidate**
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. **Casting Your Ballot**
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES or NO box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low-bell tone indicating you are finished.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

### Instructions

**Review Your Selections and Make Sure the Red Light Is On Next to Each of Your Candidate Choices Before Pressing the Green Vote Button Below To Cast Your Ballot**

---

**A Red Blinking Light In The Office Column Indicates You May Cast Additional Votes**

I do NOT WANT to Vote on ANY Office, Candidate or Issue

---

**No Vote**
1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that party will turn on. A red indicator light will turn on if you are opposed. A red indicator light for each of that party's candidates will turn on.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that candidate will turn on. After you have made all the candidate selections for all offices.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING
ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.
The machine will not allow you to vote for more than the proper number of candidates.
1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.
2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.
3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.
4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.
5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box or NO box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.
6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.
7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low-bell tone indicating you are finished.

Municipal Election, Tuesday, November 5th, 2019  
County of Bucks, Commonwealth of Pennsylvania  
Township of Middletown Lower 3

---

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. **Enter Voting Booth**
   - Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. **Voting Straight Party**
   - You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. **Selecting Candidates Individually**
   - You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. **Changing a Selected Candidate**
   - To change a selected candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   - At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   - To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. ** Casting Your Ballot**
   - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

PROPOSED CONSTITUTIONAL AMENDMENT

CRIME VICTIM RIGHTS

Shall the Pennsylvania Constitution be amended to grant certain rights to crime victims, including to be treated with fairness, respect and dignity; considering their safety in bail proceedings; timely notice and opportunity to participate in public proceedings; reasonable protection from the accused; right to refuse discovery requests made by the accused; restitution and return of property; proceedings free from delay; and to be informed of these rights, so they can enforce them?

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. **Enter Voting Booth**
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. **Voting Straight Party**
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. **Selecting Candidates Individually**
   You may vote for individual candidates by pressing the numbered box again to turn off the red indicator light and choose another candidate.

4. **Changing a Selected Candidate**
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light for that candidate and select another candidate.

5. **Voting on a Question**
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. ** Casting Your Ballot**
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will turn off and you will hear a low bell-tone indicating you are finished.

REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT
DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

Directions for Voting on the Voting Machine at a Municipal Election

Remember that no votes are registered until the green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING
ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

To change a selected candidate, press the large green VOTE button at the top of the ballot. If you are in favor of the question or the NO box if you are against it. The machine will not allow you to vote for more than the proper number of candidates.

### 5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

### 6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

### 7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

### INSTRUCTIONS
Review your selections and make sure the red light is on next to each of your candidate choices before pressing the green vote button below to cast your ballot.

## PROPOSED CONSTITUTIONAL AMENDMENT

CRIME VICTIM RIGHTS

Shall the Pennsylvania Constitution be amended to grant certain rights to crime victims, including to be treated with fairness, respect and dignity; considering their safety in bail proceedings; timely notice and opportunity to take part in public proceedings; reasonable protection from the accused; right to refuse discovery requests made by the accused; restitution and return of property; proceedings free from delay; and to be informed of these rights, so that they can enforce them?

**Voting Machine Sample Ballot**

**Municipal Election, Tuesday, November 5th, 2019**

**County of Bucks, Commonwealth of Pennsylvania**

**Township of Northampton 10**

**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE Button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that candidate will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**Directions for Voting on the Voting Machine at a Municipal Election**

**Remember** that no votes are registered until the Green VOTE button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. **Enter Voting Booth**
   - Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. **Voting Straight Party**
   - You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Politically party boxes are located across the top of the ballot.

3. **Selecting Candidates Individually**
   - You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. **Changing a Selected Candidate**
   - To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. **Voting on a Question**
   - At the top of the ballot there may be questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. **Selecting a Write-In**
   - To vote for a person whose name is not on the ballot, you may write that person in as a candidate.
   - First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. ** Casting Your Ballot**
   - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT
### Directions for Voting on the Voting Machine at a Municipal Election

REMEMBER that no votes are registered until the green VOTE Button is pressed.

1. Enter Voting Booth
   - Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   - You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light will turn on if you are in favor of the question or the NO box if you are opposed. A red indicator light for that candidate will turn on. To change a selected individual candidate, press the red indicator light and choose another candidate.

3. Selecting Candidates Individually
   - You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on. To change a selected individual candidate, press the red indicator light and choose another candidate.

4. Changing a Selected Candidate
   - To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   - At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   - To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   - After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded; all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

DIRECTIONS FOR VOTING 
on the VOTING MACHINE AT A 
MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.
The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that candidate will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are against it. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low-bell tone indicating you are finished.

A RED BLINKING LIGHT IN THE OFFICE COLUMN INDICATES YOU MAY CAST ADDITIONAL VOTES

**Directions for Voting on the Voting Machine at a Municipal Election**

**Remember** that no votes are registered until the green VOTE button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by putting and walking through the curtain. The curtain will fold closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

**Instructions**

Review your selections and make sure the red light is on next to each of your candidate choices before pressing the green VOTE button below to cast your ballot.
PRINCIPLES OF VOTING

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting a Write-In
You may vote a write-in by writing or stamping your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to cover the slot. A single write-in window is used for all offices.

6. Selecting a Write-In
To vote for a write-in candidate, first locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

8. Second Selections
If you want to make additional selections, repeat the process of selecting candidates and casting your vote.

9. Ballot Must Match
The machine will not allow you to vote for more than the proper number of candidates.

10. Additional Votes
If you wish to cast additional votes, you must return to the voting booth and repeat the process of selecting candidate and casting your vote.

**INSTRUCTIONS**
Review your selections and make sure the red light is on next to each of your candidate choices before pressing the green VOTE button below to cast your ballot.
DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.
The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low-bell-tone indicating you are finished.

**INSTRUCTIONS**

**PROPOSED CONSTITUTIONAL AMENDMENT**

- **CRIME VICTIM RIGHTS**
  - Shall the Pennsylvania Constitution be amended to grant certain rights to crime victims, including to be treated with fairness, respect and dignity; considering their safety in bail proceedings; timely notice and opportunity to take part in public proceedings; reasonable protection from the accused; right to refuse discovery requests made by the accused; restitution and return of property; proceedings free from delay; and to be informed of these rights, so they can enforce them?

**REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT**
DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that candidate will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

A RED BLINKING LIGHT IN THE OFFICE COLUMN INDICATES YOU MAY CAST ADDITIONAL VOTES

INSTRUCTIONS

REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT.
**DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION**

REMEMBER that no votes are registered until the Green VOTE Button is pressed.

The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
   Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
   You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
   You may vote for individual candidates by pressing the numbered box next to the candidate's name. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
   To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
   At the top of the ballot there may be Questions. Make your selection by pressing either the YES box or NO box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
   To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
   After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

Voting Machine Sample Ballot
Municipal Election, Tuesday, November 5th, 2019
County of Bucks, Commonwealth of Pennsylvania
Township of Warminster 12

DIRECTIONS FOR VOTING ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are registered until the Green VOTE button is pressed. The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party's candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded, all lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

PROPOSED CONSTITUTIONAL AMENDMENT

CRIME VICTIM RIGHTS
Shall the Pennsylvania Constitution be amended to grant certain rights to crime victims, including the right to be treated with fairness, respect and dignity; considering their safety in bail proceedings; timely notice and opportunity to participate in public proceedings; reasonable protection from the accused; right to refuse discovery requests made by the accused; restitution and return of property; proceedings free from delay; and to be informed of these rights, so they can enforce them?

DIRECTIONS FOR VOTING
ON THE VOTING MACHINE AT A MUNICIPAL ELECTION

REMEMBER that no votes are recorded until the Green VOTE Button is pressed.
The machine will not allow you to vote for more than the proper number of candidates.

1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for each of that party’s candidates will turn on. Political party boxes are located across the top of the ballot.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate’s box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions.
Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate's name on the exposed paper roll. Then pull the black shutter down over the name you have written to close the window. A single write-in window is used for all offices.

7. Casting Your Ballot
After you have made all the candidate selections you want, press the large green VOTE button at the lower right corner of the ballot. When you press the green VOTE button all of your candidate selections will be recorded. All lights in the voting machine will go out and you will hear a low bell-tone indicating you are finished.

INSTRUCTIONS

REVIEW YOUR SELECTIONS AND MAKE SURE THE RED LIGHT IS ON NEXT TO EACH OF YOUR CANDIDATE CHOICES BEFORE PRESSING THE GREEN VOTE BUTTON BELOW TO CAST YOUR BALLOT
1. Enter Voting Booth
Enter the voting booth by parting and walking through the curtain. The curtain will fall closed behind you to provide privacy. If you use a wheelchair, the voting machine will be lowered by the election officials before you enter.

2. Voting Straight Party
You may vote a straight party ticket by pressing the X box in the political party of your choice. A red indicator light for that candidate will turn on.

3. Selecting Candidates Individually
You may vote for individual candidates by pressing the numbered box within that candidate's box. A red indicator light for that candidate will turn on.

4. Changing a Selected Candidate
To change a selected individual candidate, press the numbered box again to turn off the red indicator light and choose another candidate.

5. Voting on a Question
At the top of the ballot there may be Questions. Make your selection by pressing either the YES box if you are in favor of the question or the NO box if you are opposed. A red indicator light will turn on next to your selection.

6. Selecting a Write-In
To vote for a person whose name is not on the ballot, you may write that person in as a candidate. First locate the appropriate office box and select Write-In. Then press the large red blinking light at the top of the machine to open the Write-In Window, and write or stamp your candidate’s name on the exposed paper roll.
