Re: Free Advertising for participating in Bucks County Veterans Discount Program

One of the responsibilities of the Bucks County Recorder of Deeds office is to record Veterans' DD214 (Discharge Papers). We initiated a new program on November 1, 2011 where the county began issuing Veteran's Discount Cards. This program is supported by the Board of Bucks County Commissioners, the county Military/Affairs office and the County Recorder of Deeds office. We are asking Bucks County business owners to consider giving our veterans a discount to show their appreciation of the veteran's service to our country as well as thank them for serving. Through your contribution you will be helping us to continue our mission to reach out to every military veteran in Bucks County.

All businesses participating are listed on our website www.buckscounty.org and are updated every few weeks. The veteran is required to show the Bucks County Photo ID or applicable military ID to receive the discount.

Please consider giving our veterans a discount by completing the attached form provided. The form is also available on our website for you to download. Your business not only could increase because the veterans will be shopping there, but other shoppers who know that you are supporting the veterans could start shopping there. **(We will advertise your business free of charge.)**

Thank you for your consideration in this exciting new addition to our office.
