*“We make a living by what we do,
but we make a life by what we give.”
- Winston Churchill*

RSVP of Bucks County

RSVP provides opportunities for those age 55+ to engage in volunteer service and contribute time, experience and knowledge to others in their communities. RSVP is part of the *National Senior Service Corps*, administered by the *Corporation for National and Community Service*.

Our Mission

To promote the engagement of mature adults in planning for community improvement and in the delivery of volunteer services within Bucks County.

What We Do

RSVP helps organizations identify their needs, then recruits volunteers whose skills and interests meet those needs.

***“Never doubt that a small group of thoughtful,
committed citizens
can change the world.***

Indeed, it is the only thing that ever has.”

- Margaret Mead

The Benefits of Volunteering

RSVP has more than 750 volunteers working in 130 non-profit organizations throughout Bucks County. Each year, these valued volunteers contribute more than 125,000 hours of service to the Bucks community!

The *Corporation for National and Community Service* states, “A growing body of research indicates that volunteering provides individual health benefits in addition to social benefits. This research has established a strong relationship between volunteering and health: those who volunteer have lower mortality rates, greater functional ability, and lower rates of depression later in life than those who do not volunteer. Older volunteers are the most likely to receive greater benefits from volunteering, whether they are more likely to face higher incidence of illness or because volunteering provides them with physical and social activity and a sense of purpose at a time when their social roles are changing. Some of these findings also indicate that volunteers who devote a ‘considerable’ amount of time to volunteer activities (approximately 100 hours per year) are most likely to exhibit positive health outcomes.”

In addition to the personal and health rewards of volunteering, Bucks County RSVP provides:

- Volunteer liability and excess auto liability insurance
- Annual recognition events
- A Volunteer Coordinator who will support you!

“Volunteers are the only human beings on the face of the earth who reflect this nation’s compassion, unselfish caring, patience, and just plain love for one another.”

- Erma Bombeck

Getting Started

There are many volunteer opportunities throughout Bucks County, and your Volunteer Coordinator will make every effort to match you with a volunteer assignment that best meets your interests and skills. If you have a specific service to offer, we will make every effort to identify an organization that can best accommodate your needs. Please contact RSVP at 267-880-5700

We invite you to review the following pages to learn more about the many interesting and varied volunteer opportunities RSVP offers. Then please give us a call to get started. Your time and talents are a valuable resource!

*“Everyone can be great because anyone can serve.
You don’t have to have a college degree to serve.
You don’t even have to make your subject and
your verb agree to serve. You only need a heart
full of grace, a soul generated by love.”
- Dr. Martin Luther King, Jr.*

“If you ever need a helping hand, it is at the end of your arm. As you get older you must remember you have a second hand. The first one is the help yourself. The second hand is to help others.”

Audrey Hepburn
