**\*\*MPP Coordinator is not accepting court appointments at this time**

Mediation requires the voluntary participation of all parties to submit a dispute to a mediator trained in resolving conflicts. You may apply for mediation at any time during litigation prior to arbitration or trial by contacting a mediator directly. If your case is mediated and not resolved, you may proceed directly to trial without proceeding to mandatory arbitration. The first two hours of mediation is \$300, split by each of the parties and paid directly to the mediator. Some cases may require additional time.
